Compact and attractive hanging system

“Less rail, more art”. Contour Rail gets the job done in spite of its minimal dimensions, and has an attractive, sleek design. Hanging pictures, or hanging and moving framed photos is easy thanks to the Contour Rail. Using the clips, the picture rails may be mounted to the wall (minimum distance from the ceiling: 15 mm). In addition to the aluminium version of the rail, the available model in white may be painted in any colour. The refined style of the 1 mm Twister hanging wires with Micro Grip 1 mm suspension hook make them a perfect match for the compact shape of this hanging system.
