

## Sleek Rail™ System

Introducing the Sleek Rail™ System, designed for a modern, minimalist look with a shadowline effect. This rail system is perfect for residential, commercial spaces, galleries, museums, and multifunction spaces, providing a discreet and professional display solution.

## Specifications

- Load Capacity:** Up to 40kg per lineal metre with wall fixing every 40cm as per manufacturer's specifications.
- Universal hardware:** Comes with universal installation rail hardware to suit plasterboard and masonry walls.
- Length:** Comes in 200cm lengths for easy shipping and installation.
- Finish:** Sleek Rail™ is powder coated in vivid white primer, blends seamlessly with cornices or can be painted to match your wall colour.

## Hangers & Hooks

Compatible with a wide range of other manufacturers hangers and hooks.

Ball Head Hanger Cable in White, Black or Stainless Steel.

Super thin, super strong, super slim 1mm Diam hangers which feed into the hanging track and have over 60kg weight capacity. Combined with 30 Kg Capacity Super Hook we create one of the heaviest weight capacity systems on the market.

- Super stainless steel quality hook, museum grade.
- The smallest hook on the market with the highest weight capacity.
- 30kg capacity on cable hangers.
- Works on a range of cable diameters 1 – 1.6mm.
- Matches with all of our 1mm hanger range.

## Installation Instructions

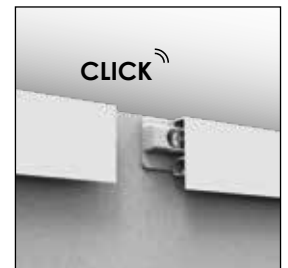

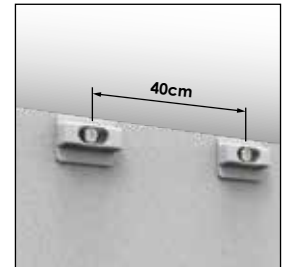

**Rail Fastener Kit:** Each length of rail comes with all the installation hardware to fix the 200cm length, Inc. additional wall mount block to join lengths of rail in continuous lengths.

**Compatibility:** Suitable for Plasterboard or masonry walls.

**Fit:** Wall Mount Blocks fix the rail to the wall at the precise height to nestle under the cornice. Neatly fits up against cornice or square set ceilings.

## DIY Installation Process

- 1. Prepare the Wall:** Ensure the wall surface is clean and dry.
- 2. Place Buttons:** Install buttons every 40cm using the Click Fastener Kit.
- 3. Attach Rail:** Click the rail onto the buttons.
- 4. Ready to Use:** Your Sleek Rail System is now ready to hold your art pieces securely.
